## WE'LL MEET AGAIN

We travel down a winding road,  
A road without an end,  
And they, who seem so far away,  
Are only 'round the bend,  
They face a brighter sunshine,  
Softer breezes, skies more blue,  
And sometimes in their happiness,  
They'll meet again with you.  
So let not your heart be troubled,  
It's true that in the end,  
Happiness will follow sorrow,  
When you meet him 'round the bend.

The Prosperity Homemakers Club
